BOSTON REDEVELOPMENT AUTHORITY

MEMORANDUM

May 18, 1967

TO: Boston Redevelopment Authority

FROM: Edward J. Logue, Development Administrator

SUBJECT: REQUEST FOR APPROVAL OF MINIMUM DISPOSITION PRICES  
WASHINGTON PARK URBAN RENEWAL AREA R-24

SUMMARY: This memo requests approval of minimum disposition prices for fringe parcels and vacant lots in the Washington Park Urban Renewal Area.

The Authority has received both reuse appraisals for a number of fringe parcels and vacant lots which have been acquired by the Authority. In accordance with Authority policy, the fringe parcels will be made available to adjoining owners to adjust their property lines and in some instances to allow for much needed off-street parking. These parcels have been given an "S" designation.

The "L" parcels indicate vacant lots which will be made available to prospective purchasers in accordance with priorities established by the Authority.

A summary sheet indicating both reuse appraisal values and the recommended price for each parcel is attached.

The appraisals have been carefully reviewed and prices are recommended which reflect all applicable real estate disposition criteria as well as the intention of implementing the Authority's function of providing adequate off-street parking and housing sites for the community.

It is therefore recommended that the Authority adopt the attached resolution approving minimum disposition prices for the lots and fringe parcels listed thereon.
